MATHS

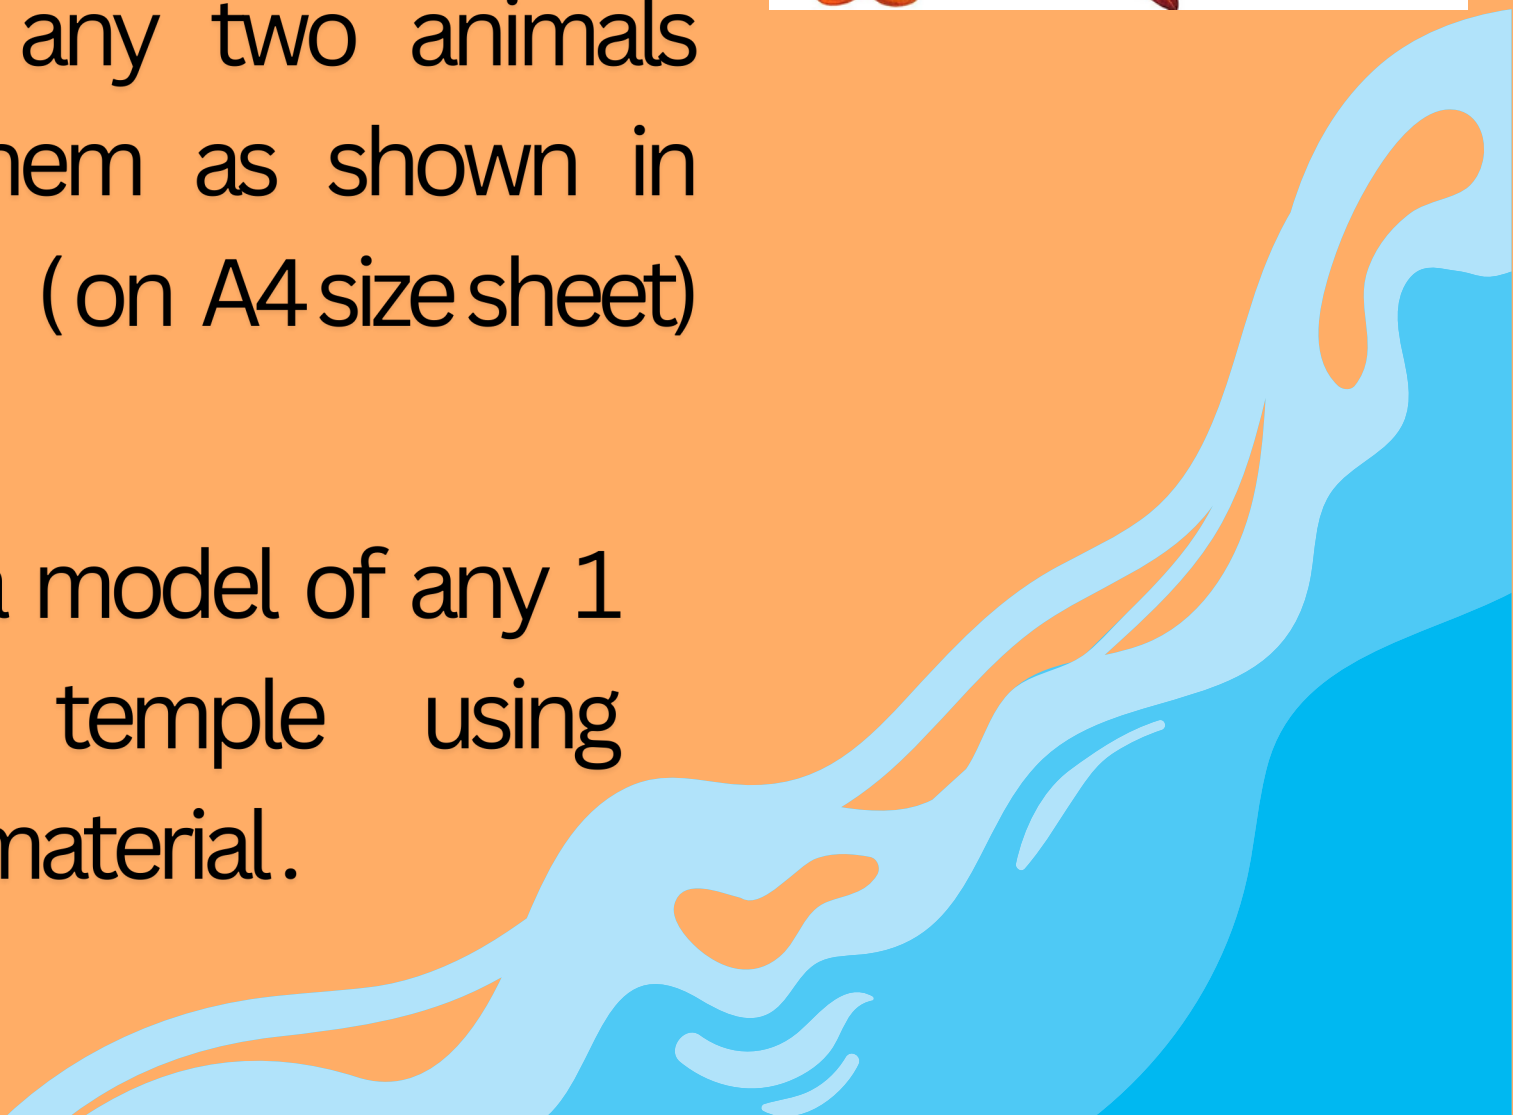

- Do practice of chapter 1 and 2
- Learn tables till 20.
- Practice any 5 questions based on the 4 operation (multiplication , addition , subtraction and division) daily in HHW notebook.
- Collect the information regarding birth years of your family members and represent the same in roman numerals using match sticks on A4 size sheet.
- Gather information about any two mathematicians and their contribution to the subject . Paste their pictures and write all the details on an A4 size sheet.

SST

- Revise chapter 1 and 2.
- Visit any one historical monument and click a picture, paste it on an A4 size sheet and write the information you gathered from that place and your experience too.
- In hot summer, plants need our attention and care. Look after them, and water them regularly. Collect dry leaves and create any two animals with them as shown in picture (on A4 size sheet)
-
- Make a model of any 1 Hindu temple using waste material.

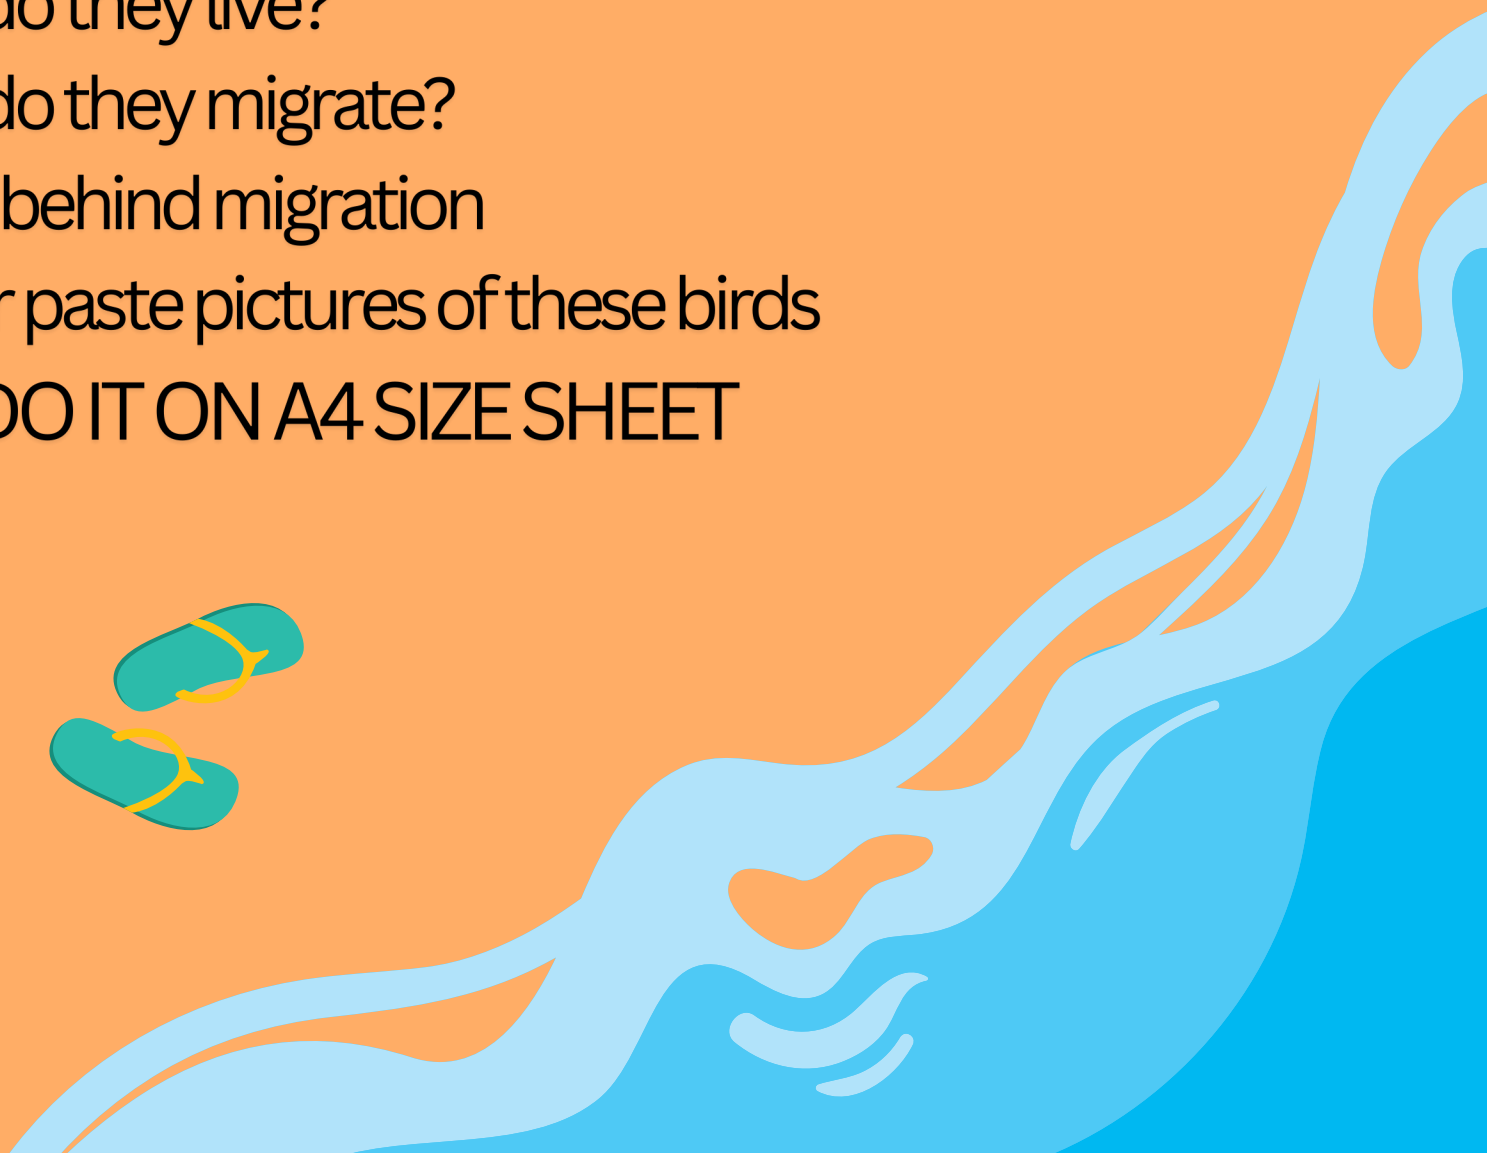

SCIENCE

- Revise chapter 1 and 2.
- Make a poster on “Saving wildlife” with an appropriate slogan on A3 size sheet
- Create a planter using any old plastic bottle and decorate and grow a plant in a pot. Click a picture with it.
- Choose any two migratory bird and collect the following information about them:
 1. Name
 2. Where do they live?
 3. Where do they migrate?
 4. Reason behind migration
 5. Draw or paste pictures of these birds

DO IT ON A4 SIZE SHEET

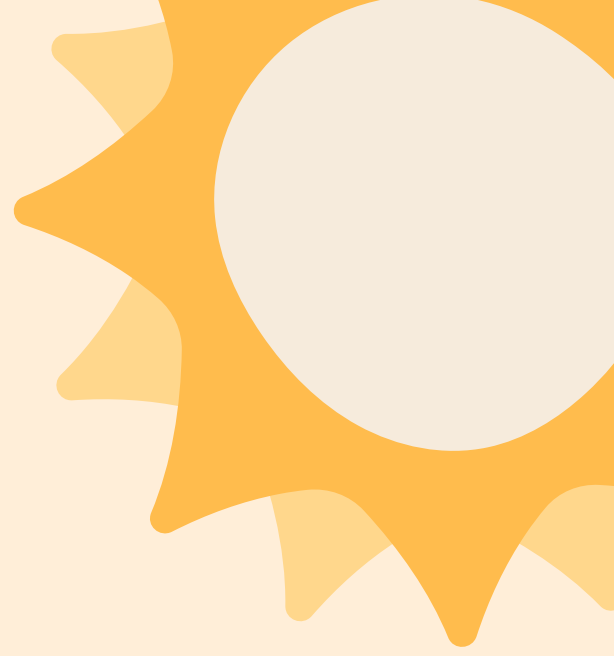

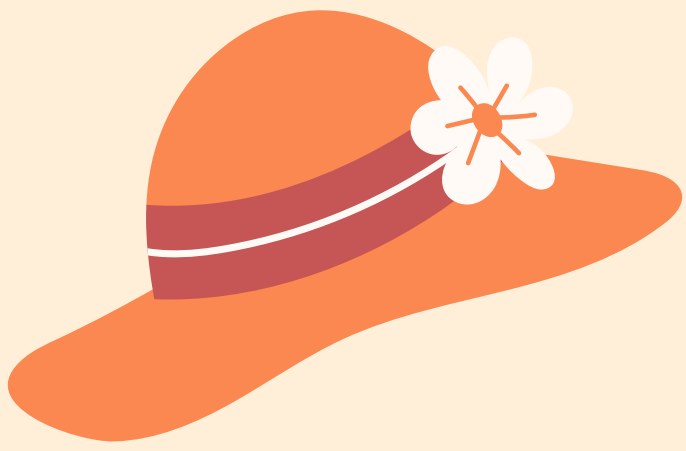

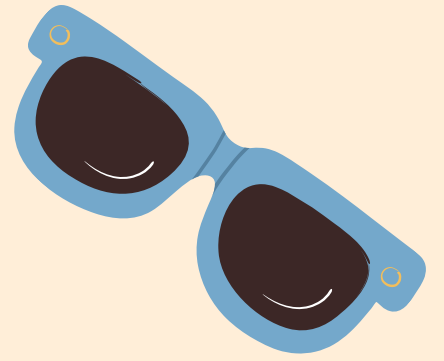

COMPUTER

- Represent different generations (any 2) from the 1st to the 3rd generation on the computer. (on a word pad) Take a printout and paste it into your notebook.
- Buy one A4 sheet and draw or paste pictures of the ENIAC and IBM 1620. Write some lines about it. (You can use colours.)

Happy Holiday

"Enjoy holiday time with your family"
